

Promotes social and emotional wellness in young children and their families.

Families, children, and providers become partners so that each child can function better at home, in school, and in the community.

Are you concerned about your child's behavior, feelings, or development?

Is your child-birth to 6 years of age...

- Crying uncontrollably?
- Unable to play with other children?
- Having long, frequent tantrums?
- Have inappropriate aggressive behavior?
